

# **Bee School 2010**

## **Recommended Reading List**

This year will not be issuing a text book. Instead we are providing a recommend reading list. All of these are great books. One suggestion before buying one of these books is to check them out from your local library. If you have any questions, you can ask any of the teachers at the first meeting. In addition there are some great resources on the web. We will be providing you more information at the bee school. If you have any question in the mean time, please contact: Tony Lulek (tlulek@galley223.com) or Peter Tullock at (pjtrestoration@hotmail.com).
